

## WCPSS School Trip Attestation Form

In an effort to ensure the safety of students and staff while engaging in school sponsored trips, students will adhere to WCPSS safety protocols that are aligned with their individual activity (field trips, Fine Arts, Athletics, etc.). Students and parents must attest to understanding and agree to comply with the following requirements:

### COVID-19 School Trip Protocols

#### At-home screening criteria:

- Students must stay home, and will not be allowed to participate in the school trip, if:
  - They have been diagnosed with COVID-19 or exposed with someone who has been diagnosed with COVID-19 and have not met requirements to return.
  - They have temperature of 100.4 degrees or higher; or
  - They are experiencing symptoms of COVID-19; or
  - Are exhibiting symptoms listed on [wcpss.net/covid19](http://wcpss.net/covid19)

#### Process if student becomes symptomatic during a school trip:

- Students who experience symptoms during a school trip will be immediately isolated and provided with a face covering if they do not already have one.
- Symptomatic students will be required to wear the face covering both indoors and outdoors unless they have an approved accommodation due to developmental, medical, or behavioral health needs; are having trouble breathing or are unconscious; or are incapacitated or otherwise unable to remove the face covering without assistance.
- If isolation is not possible, the symptomatic student will be kept at least 6 feet away from other students.

**A WCPSS staff member will contact the student's parent/guardian or emergency contact, who must pick the student up from the school trip site immediately.**

#### By sending your child on a school trip, you are attesting to the following:

- You have read, understand, and agree to comply with the COVID-19 Field Trip Protocols;
- You have screened your child on the day of the trip, and they do not meet any of the screening criteria; and
- If your child becomes symptomatic during the school trip, you or your emergency contact will pick them up immediately.
